

Smart City Jabalpur: Digital Library Registration Link

As you know, under the smart city project Gandhi Bhawan Library Jabalpur provides a digital library platform for accessing 24 x7 x 365 e-resources. The objective of the project is to set up a Single Integrated Digital Library platform to provide a bouquet of services. On this platform, many subjects and competitive books are available free of cost. (NEET, JEE, Railway, MPPSC, Language Lab, Mock test, Model test papers etc.). Interested JNKVV members (including all constituent colleges) who want to avail this facility, please fill out the form through a provided link for registration. After successful registration and receiving a password for login, students have to log in within 3 days otherwise, the login credential will be deactivated automatically.
