	Telephone No.	:	
	Email ID /FAX No.	:	
3	If the applicant is not the manufacturer, capacity in which the testing has been requested for (as authorized importer/distributor/designer/respective manufacturer)	:	
4	Details of the machine to be submitted for test	:	
	Name	:	
	Size	:	
	Operated / powered by	:	
	Make	:	
	Model	:	
	Selling price in India	:	

5	Type of work the machine or component has been designed for & special features of the machine, if any	:																			
6	Whether the machine submitted for test is a prototype or commercial model	:	Indigenous Prototype																		
		:	Imported Prototype																		
		:	Indigenous Commercial model																		
		:	Imported Commercial model																		
7	Nature of test	:	Confidential																		
		:	Commercial																		
		:	Batch Test																		
8	If confidential test, specify details of tests requested for	:																			
9	Total number of machines (as in 4 above) produced/imported since inception till date	:																			
10	Whether all the parts are produced Indigenously? If no, attach a list of imported parts	:	Yes / No																		
11	Period suitable for random selection of the machine (in case of machines already in commercial production & sale)	:																			
12	Type of accessories and attachments that are sold alongwith the machine and sent with the machines for test	:	a) b) c) d)																		
13	Check for enclosures	:

### **PRECONDITIONS FOR SUBMITTING MACHINES FOR COMMERCIAL / CONFIDENTIAL TEST**

Name of machine:

- (a) The specification of the machine submitted for test should conform to the production model which the manufacturer proposes to introduce. The manufacturer should certify that the prototype submitted for test will be manufactured under the License/DGTD registration granted to the unit
- (b) The test will be carried out on the machine as it stands together with accessories and attachments essential to the satisfactory performance of the machine. The applicant will not be allowed to introduce alterations or modifications which should affect its normal performance during the progress of test. If any major modification or alteration is considered necessary, the applicant should withdraw the machine and resubmit the machine with fresh application for testing.

I have read above pre-conditions and hereby agree to abide by the same.
